

SEDC NEW STUDIO PROCEDURES

New processes will be implemented upon reopening-

1. SEDC will comply with all Local rules about social distancing and sanitation.
2. Students, faculty, staff, and families should stay home when they are sick. All should stay home until you are free of fever for at least 72 hours without fever reducing medication.
3. Students or staff who complain of not feeling well will have their temperature taken and sent home if they have a fever of 100.4 or above and/or respiratory infection symptoms. Parents need to update their emergency contact information to ensure dancers can be picked up immediately.
4. Students who show symptoms will be separated from staff and others until they go home.
5. SEDC will have hand sanitizer available, but please have some for your child if possible to put in their dance bag. Also, please bring your own water bottle! We will continue to sell bottled water for \$1.00 if your child doesn't have his/her own.
6. Parents will drop off their child and not be allowed to stay inside the dance studio to wait. You may, however, wait in your car.
7. We will be designing the rooms to create social distancing
8. Please let your dancers know there will be no hugging, high fives, and any physical contact with teachers, assistants, or other dancers.
9. Dancers should wash hands before and after class and after sneezing or coughing. Sneeze or cough only into the crook of the arm and then immediately wash hands or use hand sanitizer.
10. Your child may wear protective masks to class.
11. All classroom props and ballet barres have been thoroughly sanitized prior to class arrival. Bathrooms have also been thoroughly cleaned. Make sure your child uses the bathroom before arriving for class. We will only use the bathroom for emergency breaks.

WE WILL CONTINUE TO KEEP EVERYONE UPDATED ON NEW INFORMATION AS WE GET IT. PLEASE STAY CONNECTED SO YOU DON'T MISS ANY IMPORTANT INFORMATION
